

We Need Coaches

But not any coaches!

Deep South Ice & Sports Complex in Richmond, Texas (*close to Houston*) is searching for passionate, motivated, and ethical figure skating coaches to be part of something truly special – a brand-new, 1,500-seat state-of-the-art ice facility opening Summer 2026. This is more than just another coaching opportunity. It is the chance to help build a skating culture from day one at one of the most exciting new ice developments in the Texas.

We are looking for experienced coaches who are excited by the opportunity to help create a program from the ground up, with the long-term vision of developing high-level skaters in a positive, ambitious, and athlete-focused environment. We want coaches who bring energy, professionalism, creativity, and a true passion for the sport.

Just as importantly, we are looking for Learn to Skate coaches who understand they are the heart of any successful rink. We want fun, engaging, and encouraging personalities who can inspire the next generation of skaters while creating an atmosphere that families are excited to be part of every week.

At Deep South Ice & Sports Complex, we are building a culture centered around:
Professionalism, Integrity, Teamwork, Positivity, Respect, SafeSport standards, A commitment to excellence on and off the ice

Our vision is to create a facility where athletes can dream big, families feel welcome, and coaches can build thriving careers.

The facility is expected to feature:

45+ hours of Freestyles each week

Extensive Learn to Skate programming

Adult skating programs

Dedicated off-ice training rooms

A future academic school partnership currently in development

A modern 1,500-seat arena designed to host major events and competitions

Based on Houston coaching rates, highly qualified coaches can expect to charge \$100+ per hour, with significant opportunity for growth in one of the fastest-growing, high-income family areas near Houston.

If you are driven, enthusiastic, team-oriented, and excited by the idea of building something exceptional from the very beginning, we would love to hear from you. Please fill out the initial form via the QR Code at the top of the page.

We can't wait to learn more about you and hopefully welcome you onto the team!
